Neither the Conference, member organizations or teams, the facility at which practices and games are conducted, or any of their respective owners, shareholders, directors, related corporations, sponsors, coaches, employees or agents, shall be liable for any injuries or damages sustained by the child's (participant) in, on, or about the premises where the practices and games shall be conducted or at any other location at which Conference related activities occur. I am aware that youth football and youth cheerleading requires particular equipment, exercise and trained technique and agree that the child (participant) should comply with these requirements during all activities.

Parental Conduct

Your local youth football and cheerleading organization requires adults like yourself to help organize and maintain a successful youth program. This is built on a foundation that helps promote team play and sportsmanship. Your willingness to exchange time and effort for your child's benefit and enjoyment is very important to the functioning of your organization. To help achieve this goal, we have set the following guidelines:

- Cheering and "rooting" for your child's team is encouraged. "Booing" and other unsportsmanlike conduct is discouraged. It is no secret that kids imitate and absorb the attitudes they think lie behind their parents' actions.
- Food and drink are not to be brought into any game site. Fruit, sports drinks, and water for participants may ONLY be brought in with the team, in a team cooler. Food and drink are available for sale within each organization's facility.
- Parents are not allowed on the game field or sidelines without a proper field pass.
- Smoking is not permitted at any game site.
- No alcoholic beverages are allowed at any practice or game sites.
- No cursing, threats or other harmful language toward coaches, kids, referees or any other persons will be permitted.

Each organization has the right to remove anyone from their premises for any violation as described above or other conduct as is deemed necessary and I understand if I am asked to leave, I will do so willingly.

I have read this document carefully and understand its contents. I do hereby voluntarily sign this **Assumption of Risk Agreement and Parental Conduct** on this date ____/____/____.
